Street Update!

The City of Crystal City would like to thank Davila Construction and Crystal City employees that worked tirelessly on a conjoined effort to ensure that the street was opened to ensure that our Fire Department/EMS have immediate access to their facility on May 13, 2016. The project was a top priority due to the nature of who was impacted by the opening of the street. Again, we would like to thank our citizens for their patience and understanding during this construction period.
